\$10.00 USD Monthly

\$10.00 USD Quarterly

\$10.00 USD Semi-Annually

\$10.00 USD Annually + 1 month free

\$10.00 USD Biennially + 2 months free

\$10.00 USD Triennially + 3 months free

## Multilanguage Support

Module does support multiple languages.

To add a new language, just open the directory `/modules/addons/extendnextdue/lang/`, create a copy of the english language file and rename it to the wished language.

The variables inside of the language file are pretty self explaining.
