

Install the module

The installation and configuration of the module should take no longer than 5 minutes. Follow these simple steps:

1. Extract the module archive which you downloaded from the client area.
2. Upload the module to your Blesta installation.
3. Go to the Blesta Admin backend, click on **Settings Plugins Available Mail Tracker For Blesta** and activate the module.
4. Click on the "Manage" link and insert your license key. [Information about each option can be found here.](#)
5. [Add the tracking tag to your mail templates.](#)

If you have multiple companies, you need to activate the plugin at every company where you want to use the plugin.
