

Usage

After the module installation is completed, a share cart button is visible at the Blesta cart. When you click the button, the link can be copied and shared.

The screenshot shows the Blesta shopping cart interface. A modal titled "Share or save your current shopping cart" is open in the center. The modal contains the following text:

The configuration is saved in the URL below, with which you are able to share your configuration or finish your order at a later time.

This URL can also be used to ask for help from our sales team to finish this order.

<https://whmcs.deploymentcode.com/index.php?cartshare=7bf4902f7e435e>

A new URL must be generated each time the configuration changes. Be sure to grab a new URL via the 'Share' button if you change any of the options.

At the bottom of the modal are two buttons: "Close" and "Copy to clipboard".

The background shows the Blesta shopping cart. The left sidebar has the "blesta" logo, navigation links (Home, Order, Support, Documentation), and sections for "Hosting Products" and "Order Summary". The "Order Summary" section lists items with their descriptions and prices. The main cart area shows a table of items with columns for "Quantity" and "Price". The total due today is €6.50. At the bottom right, there are buttons for "Share Cart" and "Click to order more items", along with a note to register/log in and continue to make payment.

Description	Quantity	Price
cPanel Webhosting (May 18, 2021 - Jun 18, 2021)	1	€3.00
