# Gateway Installation

Installation of the gateway is completed within minutes:

1. Extract the module archive which you downloaded from the client area.
2. Upload the module to your WHMCS installation.
3. Go to the WHMCS Admin backend, click on **Setup  Payments  Payment Gateways  All Payment Gateways** and activate the gateway.
4. Click on **Manage Existing Gateways** and configure the payment gateway.
5. Login into https://dashboard.stripe.com/ and create a webhook: Create Stripe Webhook

You find information about each configurable option here.
